

Financial Aid Request

Village Home Education Resource Center may waive some portion of membership dues and class tuition for families with financial hardship. Aid is awarded separately each term, based on the amount of aid available and the amount requested by families.

Please complete the following form and submit it along with the Online Registration Confirmation for your family. Requests are due each term before the start of late registration. See course/event calendar for deadline dates.

This Financial Aid Request is an application only, and acceptance of this form by Village Home does not in any way constitute or confirm an award of financial aid. Families who have applied for Financial Aid will receive notification of status within one week of the application deadline.

Families receiving Financial Aid must agree to fulfill the standard volunteer member time commitment.

All information regarding Financial Aid will be treated in the strictest of confidence by Village Home.

Student Name(s) _____

Parent/Guardian Name _____ Email _____
