

Liability Waiver Agreement for Village Home Participation

I, the undersigned parent or legal guardian of the child or children listed below (“child”), request voluntary participation for myself/my child to participate in classes, activities, campus events, special events, and field trips from this date to August 31, 2007, sponsored by Village Home Education Resource Center (Village Home).

Although Village Home takes reasonable steps to conduct classes and activities safely, I acknowledge there is always a possibility of serious injury or even death, including losses which may result not only from my/child’s own actions, inactions or negligence, but also from the actions, inactions, or negligence of others, and the condition of the facilities, equipment, or campus areas.

I understand and agree that:

- If I have any concerns about the suitability or safety of any activity, I will discuss them with the responsible Village Home staff or Board, before my child participates in the activity or as soon as the concern arises;
- I will not permit my child to participate in any Village Home activity if my child is not physically, developmentally and emotionally ready to participate safely;
- I will not bring my child to a Village Home activity if my child does not wish to participate in the activity;
- I will use my/child’s personal medical insurance as a primary medical coverage payment if accident or injury occurs; and
- I consent to emergency medical treatment of my child in the event such care is required.
