

Dear [[family_first]],

IMPORTANT NOTICE

All Village Home Classes and Activities are suspended as of Thursday, March 12 until otherwise notified.

Given the recent news regarding the status of COVID-19 we have made the difficult decision to start Spring Break early this year out of an abundance of caution and care for our community of families, learners, and faculty/staff.

Starting Thursday, March 12, we are suspending all Village Home classes and activities, including Day Program, until notified otherwise. We are canceling the VH community OMSI Field Trip to BodyWorlds on Thursday, March 19th as well.

Your Board of Directors will be working closely with staff over the next few days to determine the next steps in terms of the spring schedule of classes and activities. At this time, registration for Spring Term will open on Monday, March 16 at 12 noon, and we encourage you to signup (add/drop) as you normally would. Should we have to alter our schedule for the Spring Term to keep everyone as safe as possible, your spring tuition will be adjusted accordingly.

We appreciate our community supporting one another, and all that you do to keep Village Home thriving.

Warmest Regards,
Lori Walker
